Assessments for competence are carried out by independent bodies designated by DEFRA. Competence certificates can only be awarded by these accredited organisations.

TALIADAU STABL • STABLE FEES

A fee of £25.00 (including VAT) will be charged per stable, per night. As stables are limited, not all exhibitors can be accommodated. Therefore, exhibitors must realise that certain reservations will be cancelled. Exhibitors will be informed accordingly. Stables are allocated on a first come first serve basis. Stables will be provided in accordance with the requirements below and exhibits must be stabled in the box allocated. All stables must be vacated by 7.00 pm daily to enable them to be prepared in readiness for the next day's exhibitors. However, the next day's exhibitors will not be allowed to enter the stables until 7.30 pm daily. For example, if an exhibitor was showing on Tuesday, they would require a Monday stable which would accommodate the equine from 7.30 pm Monday until 7.00 pm Tuesday.

The Society provides an alternative stabling arrangement for any entries that it cannot accommodate on the Showground. The stabling site is called Wernfawr and is a mile away from the Showground. All necessary facilities will be provided and the stable fee at the site is **£20.00** (including VAT) per stable, per night. Exhibitors must complete the relevant section of the entry form to confirm whether they wish to be considered for the Wernfawr stabling site if they wish or if the Society is unable to accommodate their entry/ies on the Showground.

Stables are to be used for equines only. In cases of emergency, the Society will not be held responsible for the equines if they have to be let out of their stables.

If exhibitors use stables that have not been booked, paid for or allocated to them, they will be barred from booking stables for a further five years. **Stables are not transferable between exhibitors.** The Society reserves the right to re-allocate stables at its discretion. Stable fees may be refunded if cancelled, in writing and received before Friday 2nd July. **No stable fees will be refunded after this date.**

CYRRAEDD • ARRIVAL

No exhibit will be allowed onto the Showground before 9.00 am, Saturday 17th July. Horse exhibitor vehicles that arrive before 9.00 am on Saturday shall be directed to the Station Yard (behind the Little Chef).

All exhibits may be subject to veterinary inspections.

All vehicles will be inspected upon arrival. Any vehicle displaying a "vehicle towing horses" pass and not carrying horses shall be turned away from the Showground.

Horse exhibitors showing for one or two days will receive day vehicle passes for the day(s) concerned only. Such passes are valid from 7.30 pm on the night prior to showing until 7.00 pm on the day of showing.

PENCAMPWR • CHAMPION

S.323 RWAS CHAMPIONSHIP ROSETTE

For the Champion Concours d'Elegance exhibit.

The Concours d'Elegance is designed to establish the most elegant turnout. The essence of the competition is the word 'elegance' and the winner will be the turnout, which, in the opinion of the judge presents the most elegant effect. This will obviously include horse, driver, passenger, etc. but above all the general impression. It is judged from a distance and vehicles are NOT closely inspected as in ordinary show classes. The whole object of the class is to establish which turnout presents the most pleasing picture and normal judging criteria does not apply.

Attention may well be paid to drivers' and passengers' personal attire, but a fancy dress or period costume is definitely barred.

From the above it will be seen that the requirements are quite different from those governing the ordinary show classes, and turnouts which may do well in ordinary classes will not necessarily succeed in this competition. Horse, harness and vehicles will not be subject to the detailed inspection required in show classes, nor will performance be judged except in so far as that a very poor performance may render an exhibitor 'inelegant'.
