

Please pay particular attention to the following as there has been some important changes to the regulations.

Exhibitors who attended the 2009 Show will automatically be given the opportunity to re book the same space for 2010, and have until 1st February 2010 to return their applications. Potential new exhibitors should not assume they have been allocated a stand until they have received confirmation by way of written invoice/receipt from the Society.

New Applicants

New exhibitors will be required to supply a photograph of their stand.

NO APPLICATION NO STAND

Permit to Work

Please be aware of overhead and underground cables. If you intend to make excavations on your stand i.e. driving in tent pegs, hole borers for flag poles etc. please make sure you complete the permit to work. Please see regulation 8.13.

All stands must be on site by 10.00 pm Sunday 18th July.

Times of opening

8.30am - 8pm daily.

Vehicle Movement

No vehicle movement between the hours 7.30am until 8pm on each Show day.

Deliveries

Deliveries will only be permitted onto the showground between 8pm to 7.30am the following morning on each of the Show days.

Prohibited Items

It was noted that during the 2009 Show a number of stands sold BB Guns, items like these are strictly prohibited together with the distribution/selling of balloons.

Sub Letting

Please note that sub letting is prohibited.

Sound Levels

Where audio equipment is used or live music played as part of an exhibition - permission must be first obtained from the Tradestand Officer (see regulation 4.8 h)

Sale of Alcohol

Exhibitors who intend to sell or sample alcohol must seek the Society's consent in writing by 30th May 2010; if granted, such consent will be subject to licensing conditions from the local authority (see regulation 4.11)

Marquees & Pavilions

Please make sure that you indicate on your application if your marquee/pavilion covers the whole of the frontage of your stand. This is important as we have to allow extra space to accommodate the foot plates of such structures.
