

Wireless Internet Service

Royal Welsh Show 21st – 24th July 2008

Following the success of the previous 2 years, the Royal Welsh Show is pleased to announce that the Broadband service will again be available for the forthcoming show in 2008.

In order to plan ahead, we would appreciate an indication as to whether you would be interested in taking advantage of this service by selecting the appropriate package from the list below. The service would be provided by a specialist company with previous experience of working with us at the Royal Welsh.

The service will consist of 2 aggregated 8 Meg Max broadband lines running at a business class contention ratio of 20:1. The service will be shared amongst subscribers using bandwidth management and a fair usage policy.

Access will be available each day from 7am – 9pm on each Show day.

If you would like to secure any of the below options, please complete the enclosed pro-forma and return with enclosed cheques made payable to Boyns Information Systems Ltd to the address below

If you have any queries regarding this form please call on 01824 702211.

All prices are for the 4 main show days unless stated otherwise:-
